

linux\_authenticator.h

```
graph TD; A[linux_authenticator.h] --> B[string]; A --> C[vector];
```

A diagram illustrating the dependencies of the `linux_authenticator.h` header file. At the top, a gray rectangular box contains the text `linux_authenticator.h`. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text `string` and the right box contains the text `vector`. Both boxes have a thin gray border.
